

# Tom Manley Area 3 Chair

Tom Manley has been a Bank Marketing Officer since 1983 for Community State Bank in Spencer. As such, he works with prospects and customers on designing bank products to best assist their needs. This ranges from direct deposit, cash concentration, check imaging, trust services, merchant services to loans for commercial, ag, real estate or consumer needs.

Manley was Assistant Mill Manager for Ralston Purina until 1971. He then became District Agent for Woodmen Accident and Life until 1983. He has been in business development in banking from 1983 to the present.

Manley graduated from Hartley High School in 1969 and has taken several banking and financial courses. He has also taken several public relation programs.

Tom has been married for 39 years. He and his wife, Karen, have two married daughters and five grandchildren living in the area. He also serves on many boards and community committees.

When asked why he joined ESGR, Tom replied, "I have always had a strong desire to give back to this great country that has given me so much. ESGR helps me do that for our service people and employers alike."
